Department of Archaeology,

Mysore, 15th February 1949.

To

The Education Secretary to the Government
of His Highness the Maharaja of Mysore, BANGALORE
E.

Sir,

Indry 2-48-22
City

Subject: Budget of the Department of Archaeology
for 1949-50.

I have the honour to submit that in connection with the above subject I have enclosed herewith a statement of proposals relating to two new and unsanctioned items which are of an urgent nature and require to be provided for. The necessity for the two appointments is explained in the remarks column of the statement. It is requested that sanction of Government may kindly be obtained for the two appointments.

Yours faithfully,

L. Narasimhaiah
Ag. Director of Archaeology.

Establishment.	5-A. Archaeological Department. Assistant to the Photographer. (20-3-45)	300/-	-	There is only one Photographer in this Department and it is absolutely necessary that he should give his assistance to the work of the Department in connection with the preparation of illustrations for the annual reports, Guide Books, etc. I have also been instructed personally by the Minister for Education to prepare an album of pictures illustrating the architecture of our country and to prepare a number of picture post cards which would find a ready market for sale. It is submitted that the expenditure on this account is well worth incurring in view of the fact that the guide books, albums and picture post-cards would yield great income to Government. At the same time this would help to give considerable publicity to the archaeological wealth of the State.
	Super 15-2-46.	115/-	-	Kind reference is invited to this Office letter No. 28 dated 10th March 1946 in this connection. Since the Department is housed in a separate building and it has thus become necessary for us to provide for adequate watch and ward in addition to other routine general work in the Department, this additional appointment is kindly sanctioned in the scale 15-2-46.
